I have this image of a wall. It's like it was made to prevent any contact.
When I was young, I remember beating against this wall with all of my might.
But now, I'm simply pissed off at how it firmly it has become entrenched
I'm just spending my days waiting for that wall to completely fall down.

Shut your trap! I'm cutting this period!
The curriculum is too tough! There's no way I can do it!
Don't give me that!
It's part of my responsibilities!
Anyway, why is the class president himself out tracking down one punk student?
Oh really? Then tell off these guys too! Picking only on me isn't fair...
Those guys aren't in our class. Not my problem.
Don't sell out your friends, Kei.
Hahaha. You're harsh, Kei-chan.
Hey Yoshimura, I'll remember this
Oh, really?

Wha?
I said, the results of the test say that you...
Are a girl.
Huh?

That's right! It's small, but he really does have a thing down there!
In the fifteen years since I was born, I have always used the boy's bathroom, you know...
Me...?
Hey– whattaya mean "small"?
Whattaya sayin', Doc?
In any case, it's extremely rare but...
Well, I can understand if it's hard to believe – since it's so sudden, but...
There are occasions where there is a damaged chromosome or a some error in genetic replication.
In appearance, some people may be a male to the eye, but are genetically female – or it may be the opposite.

Yes. You are a girl.
In a word, these people are called "inter-sexed" and have a wide variety of different types.
Such as a female with testicles, or a distended urethra, or someone with both ovaries and testes, and there are others types...
Wai... Wait... Stop!!
Drop the big words...
So in other words, I am...

Female specialty underwear (panties)
Have to wear girl's panties?
Waah!
Just wait a second. I'm a girl?
So what the hell does this mean? Do I...
It can't be, right...?
...No!
That was a surprise...
So just what the hell has been my life? The one where I went to the boy's bathroom up til now?
So all that was for nothing?

What are you going to do?
That you are a girl...
I see...
In any case, we have to talk with your Dad
Nothing else to do. He said I'm a girl, so I guess I have to try to liva as a girl, right?
What good will talking to him do?!
He's just going to avoid me like he always does!

It even might make this family crumble like castles made of sand!
Anyway, up until now...
And also...
That's right...
I've been worthless anyway...
This is a good chance...
Eh...?
...you're right...
フィ

Mom...
Then I've made up my mind...
If we can't change things, even after this has happened,
I'm also really tired of this

So what do you intend to do?
I've been told I'm a girl, so I'm going to try to live aa a girl.
...I see...
If that's what you have decided for yourself, then ok.
I knew it was going to be like this...
It's your life. The isn't much that I can say about this.
It'a like he doesn't even care...
I'll assist you however I can...
WHAM
Enough already!

Listen,
I know you far better than you think
You are just awkward and don't show your emotions much.
It's easy to misunderstand you...
I think maybe the root of that is in your upbringing, right?

Kakumei No Hi 1 Page 23 www.pander.us Read right to left 2004/04/10

What are you saying!? It's not about what you think, Dad does hates me!
Is that really so?
I know that you being you, and Kei being Kei, you each think that you are disliked by the other...
Liar! Back then you told me that you didn't like me!
There's no way I would feel like that
No...

SORRY, DAD_
Back then, I wanted Dad to pay attention to me, so I was misbehaving in his study. When he punished me...
SLAP
Get away from me!
DAD.. I'M.. SORRY..
Kids...? Me?
That's why... I hate kids...
Dear!

He hates me...!
He doesn't even want me around...
Get away!
I hate kids!
Dad... he doesn't like me...
Then as if he meant to drive the point home, he became even more distant...
No! It's not like that!
If you say things like that, no wonder Kei thinks you hate him...
Oh, tell me what's not like that! If you have some sort of reasonable explanation, let me hear it!
I'll hear you out!!
It's not like that...

All right then, please hear me out, Kei...

sigh

Dear,

If you don't talk to us, we can't get past this misunderstanding...

I know you have had your share of burdens...

But Kei has grown up always lonely for you. And that goes for me too.

My family is an old and respected one. We were severely raised not to bring shame to the family name.

My grandmother in particular used to scold me by slapping my cheek, hitting me, tying me to a post.
If I raised my voice, laughed or cried, I was punished. So I stopped showing my emotions.
Because of that, I've never been good at getting close to people
But...
Even though I went through what I did, I ending up doing the same thing that my grandmother did...
But when I punished Kei for misbehaving, I was horrified that I hit him without thinking.
That's why I didn't want my child to have the same experience...

I was so afraid that I kept Kei at a distance. So instead, I ended up hurting him with that...
Kei... forgive me...
But I think what you did was within acceptable limits
Maybe so, but I have been hard on myself...
I might have ended up hurting Kei sometime. I didn't want him to have the same experience as me...
Why...
What in the hell...?
By doing that, I was able to think it didn't matter...
So I told myself that I was going to hate you too!
I always thought you didn't love me...
Why now...
Telling me that now, do you think I can forgive you just like that?

Kei, you are going to have to redo your life from scratch as a girl, right?
I guess I put up a wall too...
While you are rebuilding your life, why don't you rebuild your ties with your father?
Completely. From the beginning.
So this should be a good chance for all of us.
Kei...

If this is why I had to be reborn like this...
Come on, this is like it's out of some third rate soap opera...
It may be awkward, but I'll do whatever I can. Please let me... Kei...
My...
Fifteen years as a boy, what were they?
If you are going to have to do that, then I can change too, I think.
It certainly can't be easy to start your life over.
I guess it's ok to let go...
I guess I have no choice but to become a girl. So one change of heart or two, what's the difference?
Alright.
So if you had just gotten pissed off earlier, don't you think we could have already resolved all of this?
Mom, you already knew all of this right?
But, y'know,

But nothing changed, right? "Ah, it's no good after all," I thought and got depressed.
When Kei started to get rebellious, I had hopes that it would force the issue.
I ignored this for a long time, so I guess I'm to blame too...
I just felt that it was too much to handle
With all that, it's amazing you didn't think about leaving him...
Kei!
Ho ho ho ho ho
But blessedly, that never happened...
Keiko...
No way he could charm another woman.
He can't even talk to us
I didn't know you were like that...
Oh, I thought about it! Of course!
If there had been even a hint of another woman, it would have been divorce!

SEVERAL DAYS LATER...
...and so you see, I've decided to become a girl. I'll be relying on your help from here on out.
Ah. I see. You've decided
Ha ha ha ha
Normally, most people in your situation just continue to live with their current gender. You've made a big decision!
Eh?!

Kakumei No Hi 1 Page 33 www.pander.us Read right to left 2004/04/10

W-wait a sec, what what that just now?
Mm? See, according to the research I've been doing,
It seems that most intersexed people don't change their gender, but continue to live as they are.
Ha Ha Ha
It seems that people like that are often gorgeous.
You too. Looking forward to seeing you as a girl!
Why didn't you...
Tell me that sooner!

NO WAY.
Right..?
You decided to be girl, right?!
Why the hell not!?
No means no.
That's because I thought that the only choice was to become a girl!
If I can remain a boy, then that a fine, right? I've already made up with Dad!
So why the hell not!?

I thought you've been busy lately! So that's what you were up to?!
Because I thought I was getting a daughter! I have already gone out and bought you clothes, shoes, purses and stuff!

Ho Ho Ho Ho

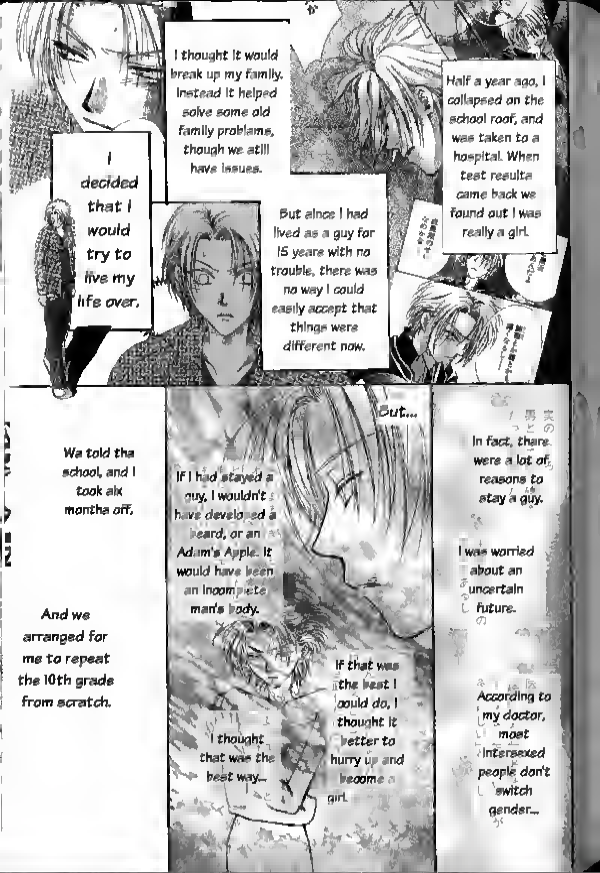
Uh...
I'll tell your Mom. She'll dock your allowance.
And I've told you to clean up your language...
Hmph
Shut up. I know.
But listen, you can't just freak out each time you meet someone you know, right?
Right.
Ho Ho Ho Hoi
You really have to get with it. You are a girl, after all. Me-gu-mi-chan.
Six months ago I was called 'Kei', and I was a boy.
But...
I'm called Megumi. And I guess most people will take me for a girl now.
Long hair. Sailor uniform. Skirt.



I thought it would break up my family. Instead it helped solve some old family problems, though we still have issues.
Half a year ago, I collapsed on the school roof, and was taken to a hospital. When test results came back we found out I was really a girl.
I decided that I would try to live my life over.
But since I had lived as a guy for 15 years with no trouble, there was no way I could easily accept that things were different now.
But...
In fact, there were a lot of reasons to stay a guy.
I was worried about an uncertain future.
According to my doctor, most intersexed people don't switch gender...
If I had stayed a guy, I wouldn't have developed a beard, or an Adam's Apple. It would have been an incomplete man's body.
If that was the best I could do, I thought it better to hurry up and become a girl.
I thought that was the best way...
We told the school, and I took six months off.
And we arranged for me to repeat the 10th grade from scratch.

Why couldn't I have transfered to a different school? Even though I'm now a grade behind, someone is might recognize me.
What are you talking about? After all the money spent on your body, you can't expect your parents to waste money on that!
While I was out of school, my body was worked on, and I had to start learning how to be a girl.
But after living as a guy for 15 years, you just can't get used to it so easily
Ah, I just can't get used to skirts. There's a draft!
This is Yutaka Makoto. She's the niece of my doctor.
We're close in age, and she want to be a counselor so we got introduced. She's like my teacher on girl stuff
You'd better just get used to it!
Watch your language!
Hey don't spread your legs when you walk!
I'm really grateful to have her support, but she's a nag and sometimes rubs me raw.
Just Shut Up.

If someone didn't know me before, that's different. But a friend would know me from when I was wearing a boy's uniform. If they saw me now...
No fucking way.
But why are you hiding this? No big deal if someone knows, right? After all, you *are* a real girl.
Just thinking about it makes me crazy with embarassment!
Auugh!
What's wrong with that? It's proof they love you.
It's better than being called ugly!
I can't stand it!

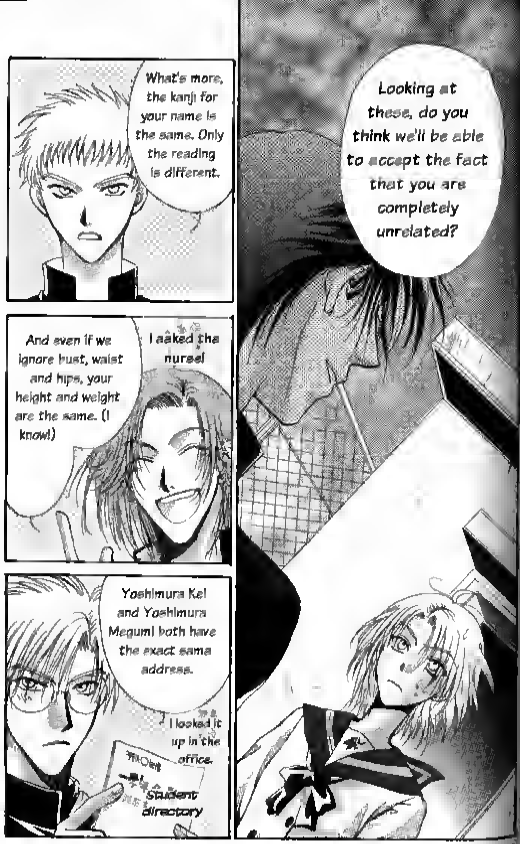
Why don't you please take a look at this?
Yoshimura Kei. Set of 5. 1000 yen
No way... When did they take that?!
Oo---h? Really. You don't know.
Well, then...
This...
Is a photo of you taken right after you entered this school. (It didn't take long for this to come to market.)
Ah! What the hell is that! When did you get that!
I want it!
Me too!

Solving the mystery comes first.
...sorry...
Riiight
Dudes, we'll talk about this later.
To get back to busi-ness...
What do you think? Side by side, they are identical, right?
The only difference is the length of hair and the uniform.



What's more, the kanji for your name is the same. Only the reading is different.
Looking at these, do you think we'll be able to accept the fact that you are completely unrelated?
I asked the nurse!
And even if we ignore bust, waist and hips, your height and weight are the same. (I know!)
Yoshimura Kei and Yoshimura Megumi both have the exact same address.
I looked it up in the office.

When you disappeared, it was also without a word. Dude, aren't you being a little cold?
Well then, would you have been able to do it?
Well, ok, but why didn't you let us know you were back? I'm surprised by your change, but... we missed you.

You thought you were a guy, but really, you're a girl! Saying, "I'm going away to have some treatment to become a girl!..."
Kei-chan...
Could you just prance in front of your old friends like that?
Then saying when you come back 'I'm a girl now! Well, how am I? Am I cute?" Like a sex change alternate personality?
B-but, hey, Kei-chan...
You came back a real cutie, so it's all good!
...and do it easily...
Mmm... difficult question.
Touka seems like the type to be able to say it...
Since I would be a babe, I guess I could do it...

I knew you guys would tease me like this! That's why I goddamn didn't want you finding out!
Um... well... I guess so, but... it's really embarassing...
That's right! For a girl, being called "cute" is a complement!
It's nothing to get angry about
What the...? I'm just telling the truth! Why are you accusing me of teasing and then hitting me?
When someone calls you "cute", all you have to do is say "thank you".
I know it's hard on you, but honestly, it's the truth!

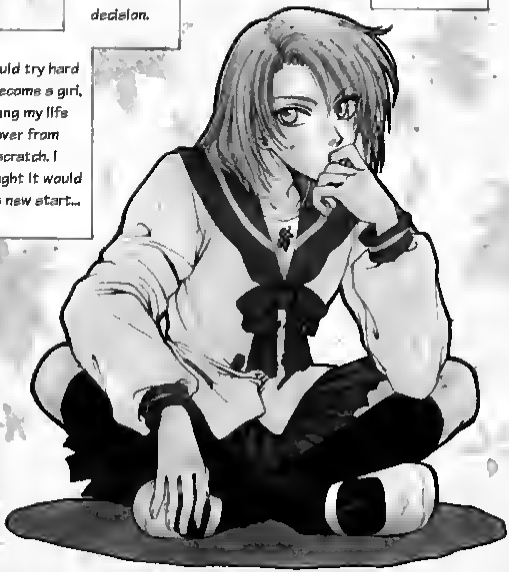
What would you think if you were told you were the wrong sex?

I always thought I was a boy, and was raised that way. But then they told me I was really a girl.

In the face of that surprising truth, I was conflicted, confused, and lost. Finally I came to a decision.

I would try hard to become a girl, living my life over from scratch. I thought it would be a new start...



Kei...?
But...
No. The aquarium. With me.
Won't you go to the movies with me?
Forget that. Let's go the museum
No, no. Let's go to the amusement park. Arcade's ok too.
You guys...
These guys... my friends from when I was male... are making ma regret my decision...
Hey it's me!
No, me!
No way! Me!
It's going to be me.

When I returned here as a girl, I thought there was no reason to say anything, and avoided them. But the truth accidently came out... And I guess I have to live with it...
But,
Why did all of them have to start hitting on me!!
Stop with that already!

Shit, you don't have to ask me out! Go ask other girls!
You guys seem to be popular, so you should be able to take your pick!
That's right! It's because of you, Yoshimura, that I want to date you!
Yeah, yeah, the important point is that it's you!

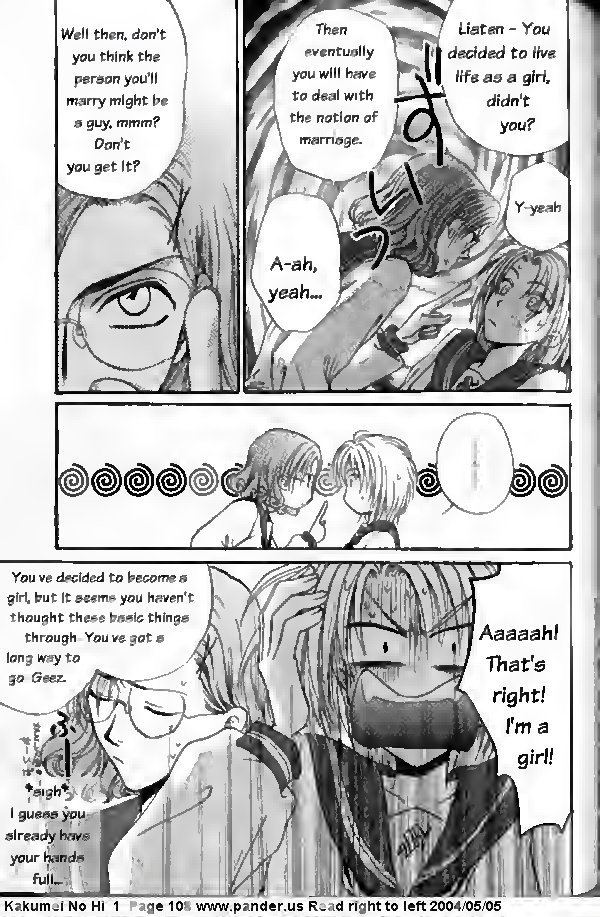
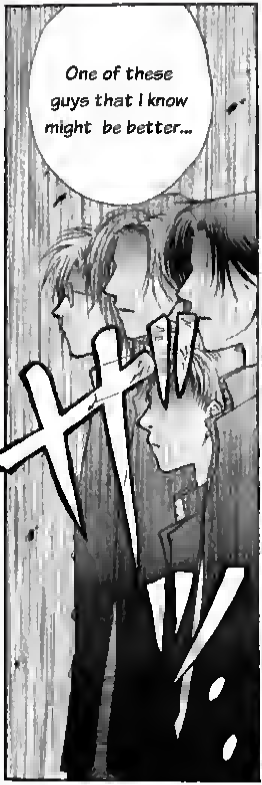
I DON'T EVEN WANT GROUP DATES!
Why don't we begin things with group dates?
Awww...
Hmm...
Group?
Look at it from Megumi's point of view - yesterday's friends are now acting like wolves, right? It's only natural that she put up barriers, don't you think?
Wh... Why are you saying that...
What are you talking about, Megumi? This is probably the best way to do this.
So why don't you give Megumi a little more consideration...?

Kakumei No Hi 1 Page 107 www.pander.us Read right to left 2004/05/05



Well then, don't you think the person you'll marry might be a guy, mmm? Don't you get it?
Then eventually you will have to deal with the notion of marriage.
Listen - You decided to live life as a girl, didn't you?
Y-yeah
A-ah, yeah...
You've decided to become a girl, but it seems you haven't thought these basic things through. You've got a long way to go. Geez.
sigh
I guess you already have your hands full...
Aaaaah! That's right! I'm a girl!

But Megumi, you have no clue about being a girl.
So I don't think you'll be able to out with a guy from scratch.
Look, it's like this - with anyone else besides these guys, you'll have do everything from the beginning.
You'll have to explain your situation. Then you'll have to get to know them, and you'll have to screen for weirdos.
You hated it that badly when these guys found out about you... I don't think you'll be able to freely explain about your situation to anyone else.
So,
If you're going to be like that, then I think that these guys, who know all about you and your disposition, are the best bet
They know about your situation and understand your personality
You also know these guys and are used to them, so you should be more or less ok, right?
Plus, you have your choice of the bunch



One of these guys that I know might be better...

I g-guess so...
I guess you're right...
If I have to get married to a guy someday, then...

Even if we stop, other guys would hit on you.
If other guys are going to do it, isn't it better for us to do it?

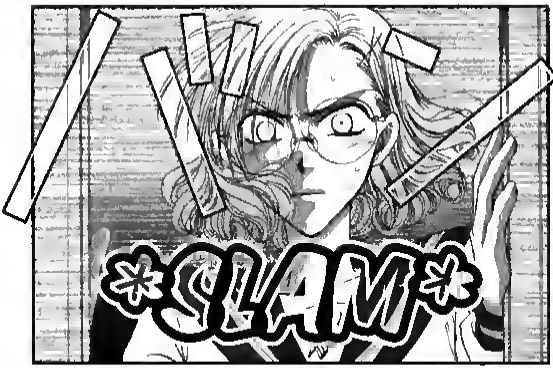
Thinks he's center of the universe...
Ahh, he's talking shit again...

Y'all don' like that idea?
That's too bad...
Of course!
Stop screwing around! Who the hell is going to become your girlfriend? not me!
SLAM
!!
But that'll only last till we get this party started...
!!



SLAM

Why do they pick now, of all times, to be gone! I can't believe it!

Hey...

Where could they have wandered off to?
I can't believe it, when Megumi's in trouble!
They are supposed to always be on the roof, right?!

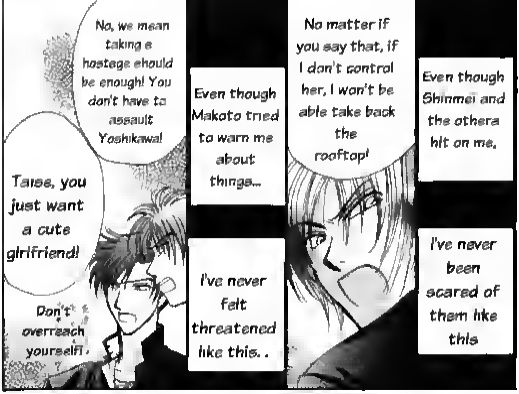
Kawada-san! You're alone?! Where are the others?!
Eh?
Ah!

You guys! The other guys!
Ah!
Where's Kai?
Hey Mask, to-chan!
What am I going to do... If it's just him, I don't think he's going to be enough. He look's kinda weak...
I don't know... but what's going on? It look like you are upset about something... Where's Yoshikawa?
Ah... um, Megumi is...
Ah!
Ah! Yeah!
This isn't the time to be fussing about that!
Where...? Want to buy some juice...It's lunch after all...
Where have you been! I've been freaking out because you weren't on the roof!
Never mind that, did something happen?

Megumi was taken somewhere!!
It wasn't like Megumi waa being forced or anything...
So I didn't know what to do...
But I thought the situation was funny, no matter how I sliced it...
Nakagawa, huh...? I see...
Whaaat? Taken somewhere?
By who? Where?
By that Nakagawa guy that come here the other day. To the chemistry room...

That guy is looking to secure the rights to the roof...
As a guess, he saw you two on roof the other day.
And it wouldn't be beyond him to think about taking a hostage...
What kind of low bullshit is this!
Shit!
We did something similar...
Forget that! Is Yoshikawa ok? Is something weird being done to her?
I don't think things will get crazy. Nakagawa knows Kei after all...
But if he realizes that Kei is Megumi, things might get dicey for other reasons.
After all, humans are curious by nature, they want to try a variety of things...
Waaah! We gotta go save her! Kei!

Ah, shuddup! if ya don't behave yourself, I'm gonna stick it in and give it ta ya good!
Uh!
KLATTER
BANG
Lemme go! Lemme go! Lemme gooo!
ガタッ
Yeah, especially since Yoshikawa-kun used to be a guy! Besides, you'll be expelled!
What am I gonna do! I'm scared!
I'm not strong enough...
Taise, that's going a bit to far... this is a shoujo manga strip, after all!
Even though they called me "short" or "cute", I would always win - 'cause I was a guy!
Crap! This never happened to me as a guy! I would just get in fights...



No, we mean taking a hostage should be enough! You don't have to assault Yoshikawa!
Even though Makoto tried to warn me about things...
No matter if you say that, if I don't control her, I won't be able take back the rooftop!
Even though Shinmei and the others hit on me,
Taise, you just want a cute girlfriend!
I've never felt threatened like this...
I've never been scared of them like this
Don't overreach yourself!

Makoto is a girl, so I should have known...
They've never roughed me up this way.
After all, the guys are old friends who know me well

The thing I should have understood but didn't...

And now I've been made to realize

I've really...
Have become a girl after all...
Uh
S-stop... Please...

It really...
hurts to admit...
I...
Don't really know why, but...
Eh?
...tgo...
I said, let go of me! Goddamit!
!!
ぶ
BAM!
は?
ド
KICK!
オッ

He got decked!
Taisei!
You ok?!
Haa...
Haa...

SLAM!
Megumi! Are you ok!?

Megumi! Are you ok?
Makoto... What are you...
Makoto!
...but... You've got it handled...
SQUEEZE
You just disappeared without a word! I was worried!
Makoto is warm... soft...
I feel safe around...
She is the one that...

わらわら
Did they rough you up?
Keil Are you ok?
Anything weird happen?
Is your virtue intact?
There's no way I can date a guy after all. You're a much better choice!
I'll let you take care of me for the rest of my life. You already said it was ok, right?
がばっ
Makoto!
Eh? W-what?

Whaat!?
I AM A WINNER?
Eh?
Goodness
What a second! Think this over!
Are you serious? You can't do that!
With your choice of us, why her!?
Yoshikawa! That's completely contrary to common sense!
Shut up! I've decided!
I figured it out when I was being held down by that guy...
Guys are hard, scary and they piss me off With Makoto, I feel secure.
That's why I'll never be able to date or marry you guys!!

Don't go deciding stuff on your own! I have already chosen Makoto!
In this case, we'll just have to teach you the good points about men!
Geez...
How about taking turns going out with her?
Yeah! By going on dates 'n stuff, y'know, having a good time...

It's like they have completely forgotten about us! Not that I'm complaining...
You ok? Should I rub it for you?
Asshole! It'll hurt worse!
